Dean Robertson will address the referral process and licensing requirements for individuals with medical conditions impacting on driving. He will discuss the services driver rehabilitation programs provide, including an introduction to equipment, vehicle options and costs.

Mr. Robertson has been involved in the field of Driver Rehabilitation for 20 years. He obtained his Certified Driver Rehabilitation Specialist (CDRS) designation in 1998 and has retained certification since that time. Dean holds a Health Education Degree, Business Administration Diploma and is a licensed GLP Driving Instructor. He is an active member of The Association for Driver Rehabilitation Specialists (ADED), associate member and CAMS-HP instructor of the National Mobility Equipment Dealers Association (NMEDA). Dean has worked in both private and public rehab centres in both Canada and the US. Most recently, he was the coordinator of the Driver Rehab Program at the GF Strong Rehabilitation Centre for eight years. He has completed certification training for both the EMC Aevit 2.0 and Joysteer electronic driving systems. In 2014, Dean returned to full time private practice with his company Access Driver Rehab Specialists and currently offers functional driving assessments, vehicle modification assessments along with both sedan (low-tech) and conversion van (high-tech) training services.

Please join us for this informative talk and question period.
