Madam Justice Forth and Madam Justice Marzari are Justices of the Supreme Court of British Columbia. Prior to their appointments in 2017, they both had active civil litigation practices with extensive experience dealing with expert evidence.

During their presentation, they will cover a variety of issues encountered by the Court when hearing expert medical evidence, including admissibility of expert reports and evidence, frequently-encountered objections to expert opinions and tips on how to address these issues.

We expect this presentation to be a practical and informative session including opportunities for attendees to bring their own practice questions to the Justices to hear perspectives from the Bench.

Please join us for this informative discussion.

Please either e-transfer payment to cagielens@hotmail.com or forward your cheque payable to "The Medical Legal Society of B.C." before **April 7, 2023**.
